

Online Video Chat Sessions

We can provide online video chat sessions with children and groups and are becoming the next best thing to having us in your home! With the fact that kids and parents use online video chatting to communicate with friends, family, and even celebrities, how can Santa not be able to do the same thing! Online video chatting with Santa solves a lot of problems for parents, care providers, schools, businesses, social organizations, clubs, church groups, and challenged or sickly kids that haven't had the time or capability to talk to Santa Claus. This technology gives each of them a time and window that each will share privately and exclusively and offers your child a live and interactive video phone call from Santa Claus, in the comfort of your own home.

Using Google Hangouts or Skype (sorry Facetime is not an option) we will chat with you for 10 minute intervals about anything you want and yes, multiple back to back intervals are progressively less expensive. Generally, the chat is about the child's life and their experiences, Mrs. Claus and Santa's days at the North Pole, and other related Holiday themed chatter. Santa always knows about the children, is very aware of the Naughty or Nice status, usually can comment on special things in the child's life, or even see if Santa can make your dog do a trick!

Since Santa visits homes and companies primarily at night or on weekends, day times during the week are the most available to do our video chats

We will usually speak about this opportunity on the phone to get a basic overview of what your needs are and what our needs are. When we agree on the basics I follow up with a booking agreement by email that has details about the visit. You fill in the necessary info, agree to the terms of the agreement and return it to me by email. I send you back an agreement notice and the formal booking time slot assignment is made. No bookings are done verbally. Depending on the visit, a 50% deposit may be required. Invoicing through PayPal is available. Payment in cash, approved company check, or credit card through PayPal are the only forms of payment accepted.
